Access to portal

1. Open the portal (<http://prep.go4gre.pk/>)
2. Create user id by providing valid email and password
3. Confirm your registration: open your given email address and confirm your registration
4. Have access to free resources: lesson, quizzes, videos, mocks and practice sets

Post Course Schedule(5th Sept- 29th Oct)

- This whole week (7th Nov-14 Nov) you HAVE to TAKE LEAVE from office and do practice under our guidance.
- This whole week (7th Nov-14 Nov) you spend time from morning till evening doing last minute review and recapitulating.

Following is the routine YOU have to follow each of these days:

Mock tests on ETS website

1. Write **Mock1** (Free one) on Tuesday 2nd Nov 9:00am. Share result and we will discuss diagnostic report: What you did right, what you did wrong. What was the trap and why you succumbed to that trap.
2. Write **Mock2** (Free one) at on Thursday 4th Nov 9:00am.

Write 3rd (paid official).

Write 4th Mock (paid official).

7th Nov-14 Nov Revise & Review.

15th Nov. Complete rest.

You write your GRE on 16 Nov 2024

You don't HAVE to delay it.

You have already enough momentum.

Momentum only goes down once you decide to delay.

Study Plan GRE(5th Sep-10 Feb)

Awais & Fizza

Days: Tuesday, Thursday, Friday & Sunday

FIRST WEEK

5th Sept, Tuesday- 8:15 am to 9:45 am

GRE Quant:

Number System.

- Algebraic Prerequisites
- Even/Odd
- Units digits
- Primes and Divisibility
- Prime Factorization
- Applications of Prime Factorization

Homework

Tuesday and Wednesday: Revise and practice questions

@prep.go4gre.pk

7th Sept, Thursday- 8:15 am to 9:45 am

GRE Verbal:

Reading Comprehension Session

Official RCs Intense Practice session and walking through most difficult Short and medium RCs in real time.

Homework

Thursday: Revise and practice Rc passages. Submit answers of further two allocated passages.

Quiz: (35 minutes/ 20 Questions Quiz Number System)

8th Sept, Friday- 8:15 am to 9:45 am

GRE Quant:

Number System.

- LCM, GCD, Relationship. Counting divisors.
- Prime Factorization of Factorials and Application
- Trailing Zeros
- Remainders
- Unit Digit

Homework

Friday and Saturday: Revise and practice questions given on portal(prep.go4gre.pk)

Saturday

Quiz: (35 minutes/ 20 Questions Quiz Number System)

10th Sept, Sunday- 7:00 am to 8:45 am

GRE Quant:

Number System.

→ **Remainders**

→ **Unit Digit**

GRE Verbal:

Reading Comprehension Session

Homework

Sunday and Monday: Revise and practice questions of Number theory. Solve and submit answers of assigned passages. <http://prep.go4gre.pk/>

SECOND WEEK

12th Sept, Tuesday- 8:15 am to 9:45 am

GRE Quant:

Fractions:

→ **Comparing Fractions (imp for QC questions and DI (Chart based Questions))**

→ **Conversion from Decimals to Fractions in less than 5 seconds.**

→ **Arithmetic with Fractions.**

Ratios:

→ **Scale Method.**

→ **Compound Ratios.**

→ **Ratios based 2Eq/2unknown Problems.**

→ **Ages Problems containing Ratios.**

Percentages:

→ **Increase, decrease,**

→ **Successive changes (Compound Interest is the application)**

(Some students try to solve Compound Interest questions using Geometric Progression, which is almost never required for the rest of the GRE and in fact not required for CI questions as well.)

Homework

Tuesday and Wednesday: Revise and practice questions on <http://prep.go4gre.pk/>.

14th Sept, Thursday- 8:15 am to 9:45 am

GRE Verbal:

Reading Comprehension Session

Long Passage reading strategies.

Homework

Thursday: Revise and practice Rc passages. Submit answers of further two allocated passages.

<http://prep.go4gre.pk/>

Quiz: (35 minutes/ 20 Questions Quiz -FRP)

15th Sept, Friday- 8:15 am to 9:45 am

GRE Quant:

- Interest rate
- Compound interest rate
- Discussion of quiz

Homework

Friday and Saturday: Revise and practice questions given
<http://prep.go4gre.pk/>

Saturday

Quiz: (35 minutes/ 20 Questions Quiz FRP and interest rate)

17th Sept, Sunday- 7:00 am to 8:45 am

GRE Verbal:

- Short Rc
- Long Rc

Homework

Sunday and Monday: Revise and practice questions of quant. Solve and submit answers of assigned passages.
<http://prep.go4gre.pk/>

THIRD WEEK

19th Sept, Tuesday- 8:15 am to 9:45 am

GRE Quant:

Word Problems:

→ Algebraic Prerequisites

→ Basic Conversions

→ Complex Translations

Homework

Tuesday and Wednesday: Revise and practice questions

<http://prep.go4gre.pk/>

21 Sept, Thursday- 8:15 am to 9:45 am

GRE Verbal:

Reading Comprehension Session

Long Passage reading strategies.

Homework

Thursday: Revise and practice Rc passages. Submit answers of further two allocated passages.

Quiz: (35 minutes/ 20 Questions Quiz -WP)

22 Sept, Friday- 8:15 am to 9:45 am

GRE Quant:

Rates:

→ Combine Rates

- Simultaneous work
- Sequential work
- Time/Distance/Speed:
- Average Speed
- Converging Speed

Homework

Friday and Saturday: Revise and practice questions given
<http://prep.go4gre.pk/>

Saturday

Quiz: (35 minutes/ 20 Questions Quiz-WP Rates/Speed/Work)

24 Sept, Sunday- 7:00 am to 8:45 am

GRE Verbal:

- RC

GRE Quant:

Weighted Averages:

- Recognizing Weighted Averages
- Strategies.
- Weighted Average vs Venn Diagram question (difference and common traps in high level GRE questions).

Homework

Sunday and Monday: Revise and practice questions of quant. Solve and submit answers of assigned passages.
<http://prep.go4gre.pk/>

FOURTH WEEK

26 Sept, Tuesday- 8:15 am to 9:45 am

GRE Quant:

Word Problems-Venn Diagram/ Table method

→ **Overlapping Sets**

→ **Two Set Problems**

→ **Three Set Problems**

Homework

Tuesday and Wednesday: Revise and practice questions

<http://prep.go4gre.pk/>

28 Sept, Thursday- 8:15 am to 9:45 am

GRE Verbal:

Reading Comprehension Session

Long Passage and Critical Reasoning

Homework

Thursday: Revise and practice Rc passages. Submit answers of further two allocated passages.

www.go4gre.pk

Quiz: (35 minutes/ 20 Questions Quiz -WP-Venn Diagram)

29 Sept, Friday- 8:15 am to 9:45 am

GRE Quant:

- Sequence and Series Problems
- Function Problems

Homework

Friday and Saturday: Revise and practice questions given
<http://prep.go4gre.pk/>

Saturday

Quiz: (35 minutes/ 20 Questions Quiz)

1st Oct, Sunday- 7:00 am to 8:45 am

GRE Verbal:

- RC Intense work
- Text Completion and Sentence Equivalence

Homework

Sunday and Monday: Revise and practice questions of quant. Solve and submit answers of assigned passages.

FIFTH WEEK

(Geometry Immersive, as 25%-40% of GRE Quant is Geometry)

3rd Oct, Tuesday- 8:15 am to 9:45 am

GRE Quant:
Geometry

- 2D Geometry
- Triangles, Parallelogram & enclosed shapes.

Homework

Tuesday and Wednesday: Revise and practice questions
<http://prep.go4gre.pk/>

5th Oct, Thursday- 8:15 am to 9:45 am

GRE Verbal:

Reading Comprehension Session

Long Passage and Critical Reasoning

GRE Quant:

Geometry

- 2D Geometry
- Triangles, Parallelogram & enclosed shapes.

Homework

Thursday: Revise and practice Rc passages. Submit answers of further two allocated passages.

Quiz: (35 minutes/ 20 Questions Quiz -Geometry)

6th Oct, Friday- 8:15 am to 9:45 am

GRE Quant:

- Circles

Homework

Friday and Saturday: Revise and practice questions given
<http://prep.go4gre.pk/>

Saturday

Quiz: (35 minutes/ 20 Questions Quiz- Circles)

8th Oct, Sunday- 7:00 am to 8:45 am

GRE Quant:

→ **Coordinate Geometry**

Homework

Sunday and Monday: Revise and practice questions of Geometry.

SIXTH WEEK

10 Oct, Tuesday- 8:15 am to 9:45 am

GRE Quant:

Stats:

→ **Average**

→ **Median, Symmetric Distributions, and Percentiles**

→ **Range**

→ **Standard Deviation: Properties and Comparing Sets.**

→ **SD from Mean.**

→ **SD and Frequency Distribution**

Homework

Tuesday and Wednesday: Revise and practice questions
<http://prep.go4gre.pk/>

12 Oct, Thursday- 8:15 am to 9:45 am

GRE Verbal:

Reading Comprehension Session

Long Passage

GRE Quant:

→ **Equally Spaced Sets**

Homework

Thursday: Revise and practice Rc passages. Submit answers of further two allocated passages.

Quiz: (35 minutes/ 20 Questions Quiz -Stat)

13 Oct, Friday- 8:15 am to 9:45 am

GRE Quant:

→ **DI intensive (one third question are related to this)**

Homework

Friday and Saturday: Revise and practice questions given
<http://prep.go4gre.pk/>

Saturday

DI work

15 Oct, Sunday- 7:00 am to 8:45 am

GRE Quant:
→ **DI Random Question Solving**

Homework

Sunday and Monday: Revise and practice questions of quant.

SEVENTH WEEK

17 Oct, Tuesday- 8:15 am to 9:45 am

GRE Quant:

Permutation & Combination

- **Counting in Equally Spaced sets**
- **OR Rule**
- **AND Rule**
- **NOT Rule**
- **Techniques**
- **Typical Questions**
- **Advanced Counting**
- **Specialized Counting Situations**

Homework

Tuesday and Wednesday: Revise and practice questions
<http://prep.go4gre.pk/>

19 Oct, Thursday- 8:15 am to 9:45 am

GRE Verbal:

Reading Comprehension Session

Long Passage and Short Passage

Homework

Thursday: Revise and practice Rc passages. Submit answers of further two allocated passages.

Quiz: (35 minutes/ 20 Questions Quiz -Counting)

20 Oct, Friday- 8:15 am to 9:45 am

GRE Quant:

Probability:

→ **Marble Problems and Basic Probability Rules**

→ **And Rule**

→ **OR Rule**

→ **NOT Rule**

→ **Tricks for some other common situations**

Homework

Friday and Saturday: Revise and practice questions given <http://prep.go4gre.pk/>

Saturday

Quiz: (35 minutes/ 20 Questions Quiz- Probability)

22 Oct, Sunday- 7:00 am to 8:45 am

GRE Quant:

→ **Probability Questions Workout.**

Homework

Sunday and Monday: Revise and practice questions of quant. Solve and submit answers of assigned passages.

EIGHTH WEEK

24 Oct, Tuesday- 8:15 am to 9:45 am

GRE Quant:

→Hard Level Random Questions

Homework

Tuesday and Wednesday: Revise and practice questions
<http://prep.go4gre.pk/>

26 Oct, Thursday- 8:15 am to 9:45 am

GRE Verbal:

Reading Comprehension Session

Long/Short Passage and Text Equivalence

Homework

Thursday: Revise and practice Rc passages. Submit answers of further two allocated passages.

TEST 1: (Full Length Paper Based Mock Test)

27 Oct, Friday- 8:15 am to 9:45 am

GRE Quant:

→Hard Level Random Questions

Homework

Friday and Saturday: Revise and practice questions given
<http://prep.go4gre.pk/>

Saturday

TEST 2: (Full Length Paper Based Mock Test)

29 Oct, Sunday- 7:00 am to 8:45 am

GRE Quant:

→Hard Level Random Questions

Homework

Sunday and Monday: Revise and practice questions of quant. Solve and submit answers of assigned passages.
